STANDARD CONDITIONS

The holder of the certificate may only source animals from a breeding facility that is registered in terms of the National Environmental Management: Biodiversity Act 10 of 2004; Convention on International Trade in Endangered Species Regulations of 2010.

The holder of this certificate must update the inventory on the system within 30 days of any introduction or removal of the specimens from the operation.

This registration and right thereof are not transferable.

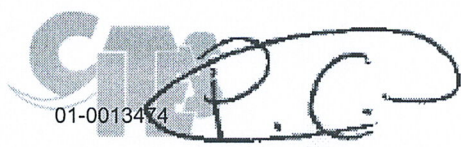

This registration certificate authorizes the holder thereof to undertake the following restricted activities for CITES Appendix I animal species as specified on the certificate:

- a. Breeding
- b. Receiving and/or buying
- c. Donation and/or selling

This registration certificate does not replace or repeal any other necessary Provincial, National or CITES permits.

This registration does not authorise the facility to source specimens from the wild or to release the specimens into the environment.

2. The holder of this certificate must keep a register with the details of all animal acquisitions. The following information must appear in the records for purchases:
- a.Date received
 - b.Name and address of supplier
 - c.Import/convey permit (if applicable)
 - d.Particulars of species:
 - i.Species name
 - ii.Age and sex
 - iii.Markings
 - iv.DNA records (where applicable)
 - v.Source (Wild caught/ Captive bred)
3. The holder of this certificate must keep a register with the details of all animal disposals (sales/donations/death/euthanasia etc.). The following information must appear in the register:
- a.Date of disposal
 - b.Type of disposal (sales/donations/death/euthanasia etc.).
 - c.Name and address of buyer/receiver (if applicable)
 - d.Transport / export permit number (if applicable)
 - e.Particulars of species:
 - i.Species name
 - ii.Age and sex
 - iii.Markings
 - iv.DNA records (where applicable)
 - v.Source
4. The registers mentioned must be made available for inspection upon request by any authorized officials (Environmental Management Inspectors) while conducting their duties.
